

# Born to Dance

By Kathleen Humphries  
Illustrated by Rich Lo

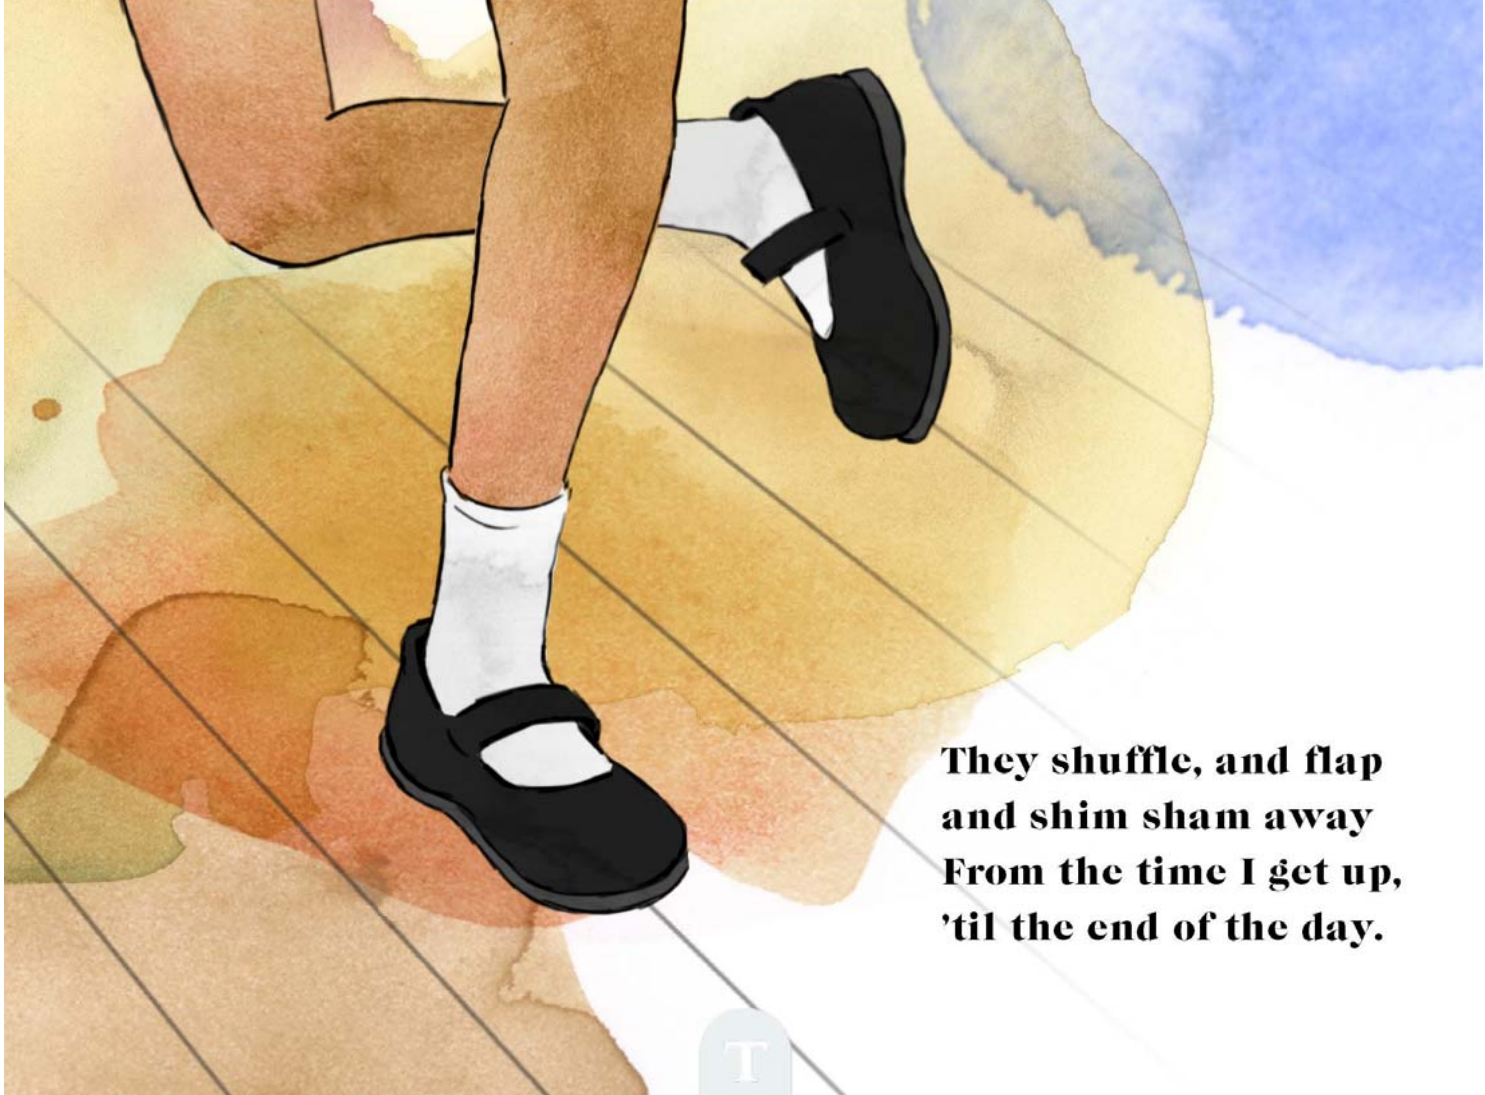

**Since I was a child, and  
way before then,  
I was dancing and  
tapping since I don't  
know when.**

**I can't quite explain it,  
and won't even try.  
But when I hear music,  
my feet start to fly.**

**They shuffle, and flap  
and shim sham away  
From the time I get up,  
'til the end of the day.**
