Chapter One

A Soapbox Car Built for Two

Ava and Josh could hardly contain their excitement. They were finally old enough to enter the soapbox derby. The competition was one week away, and there was so much work to be done!

Josh met Ava at the library. They planned to do some research for the best design. The librarian, Miss Camila, helped them. She told them about books and websites that could help.

“Look,” said Ava. “We could buy the materials in a kit online. I think that’s what the other kids will do.”
