Chapter One

THE ANNOUNCEMENT

“Listen up, class! Let’s talk about our field trip tomorrow,” Ms. Perez said from the front of the room.

Aimee sat up straight in her seat while her classmates yawned. It was Monday morning, but she felt wide-awake. She couldn’t wait to visit the space museum.

“To prepare for the visit, we’re holding a contest called the Astronaut Challenge,” Ms. Perez went on. “It’ll have three events. The student with the highest total score will get a special prize.”
