Chapter 12: Affiliate Marketing on Steroids

Chapter 13 Going Big in Your Passive Income Portfolio

Chapter 14: Protecting Your Passive Income Empire

Chapter 15: Mindset of a Successful Passive Income Entrepreneur

Chapter 16: Future-Proofing Your Passive Income

Chapter 1: A Closer Look at the Revolution of Passive-Income Generation

So passive income is easily more than just "earning while sleeping," yet it still seems a matter of some discussion. This chapter gets to the very nub of what passive income really is as opposed to active income, along with the reason why they are very crucial in our present day's world. Active income was mostly about time and labor for compensatory monetary returns-a simple give and take scheme and that was it. Passive income? On the other hand, you set up systems, assets, or investments that work for you. We'll learn how the fusion of side hustles and technology-heated by a dynamic change in the mode of storing value-is shaking things out of work and our concepts of financial security. This chapter would show how, in our time of economic uncertainty and joblessness, the creation of traditional employment has more boundaries than it helps, showing real world examples of individuals who transformed their lives with passive income, achieving financial freedom and pursuing their passion on their own terms.
