# *Empery and The Green*

Once upon a time there was a 12 years old girl called Lizy Empery. She was living with her father David Richard Empery and brother Kelvin Empery.

Her father was very rich and having 40 acres of land along with a house which is a huge estate actually. But he maintains bad friendships and also knew black magic.

He wanted to practice black magic and become immortal by using it. His friend John Derlin also tried black magic, but he was unsuccessful. But David succeeded in learning it.

He learnt lot of magic and he found one magic potion which can make people immortal. He shared all his ideas to become immortal with his friend.

One day he told his friend that “John! I have a liquid which can make us immortal. I will share the secret with my friend’s family and with you. Then we all can become immortal forever.”

But his friend John Derlin is very cunning, he thought that it is waste to share such kind of potion with anyone! So he stabbed his friend with knife and drank the whole liquid.

David said “you dog! There is another step, but I will not share that with you now. You cannot do anything without me. The liquid you just drank will transform your life, but will not make you immortal. The potion will never become yours. I will pour the magic liquid for my tree. Then he poured the magic potion in the edge of tree stump.

There Empery was waiting for her father to celebrate her birthday. And the father poured the magic potion to the tree hence the tree will get magical powers while growing. And again magic added to the tree of protection and david said, you cannot touch the tree. From now onwards.

John Derlin has seen all this and became very angry, then he cut his friend David’s neck with a sword. All this hullabaloo made Kelvin to come out and see all this. John became irated and captivated him.

The girl Empery all of a sudden became alone as her father died in front of the tree and brother became prisoner.

She thought that the tree is always admired to her father and felt that her father’s soul is in the tree. Her brother Kelvin always loves horses. The girl left alone with the maid called mary. Mary is very kind and soft-spoken.

The Evil-minded John Derlin is searching ideas to regain that liquid from the tree. But it is growing very charming as if the liquid passed through the entire tree.

10 years passed, the estate developed with huge amount of money and also much greenery. Lizy Empery started to plant more plants and thought of making the entire town green.

She is giving speeches and explaining the goodness about greenery to students and to her maid also.

There is one robber who heard about this estate and planned to rob everything in the estate. He came and robbed all the chemicals in the lab and also valuables things in the house. And he came night to steal those things.

Lizy heard the sound and woke up from her sleep. She caught the thief red handed.

She locked him inside a room and locked. And said that “you idiot, this is the end for you as I will send you to prison early in the morning.” Then she started to go... The robber is very cunning and he pleaded the girl to not to sent him to prison as he is having kids and he has to feed them. The girl took pity on him and promised that she will not send him to jail. But asked him to work for her.

She said “okay I will not send you to jail but you work here for me and complete the work I give you. Don’t be smart, I will have my eyes on you. Otherwise I will send you to jail. Go and have rest for today. You will have work from tomorrow.”

The next day Lizy gave work to robber (Ryan Patten). He is getting works day by day like digging, planting, and cleaning. Ryan started working without a word. He started loving this girl and trying to impress her by giving flowers with the help of kids.

After the work, he sat under the tree and thought that there is magic in this tree. He wondered how it is shining. Then the girl came and giving food to the tree. Ryan started blaming the girl “why are you giving food to the tree, when I am here. Give it to me. I will eat it completely” then he started singing, “there is good hearted girl who gives food to trees but not human beings.”

“you will get to know soon” the girl said, “the relation between trees and humans. Helping nature is everything.”

“No madam, I will never get into this. The expectations will be different for you and me.”

“The experience of my life is very difficult, my parents died when I was 12 years. One evil man killed my father and captivated my brother. I searched everywhere but I do not know whether he is alive or not.”

“Oh! What about you? Didn’t the evil man attack you too?”

“No... after seeing all this I hid under the bed. He missed me.”

“Oh! I heard your father was a very good person. But why that person killed your father?”

“I don’t know. But I think my father is still living in this tree. And my brother was always interested in trees. So I thought these two things are very important to my life.”

“Oh then I think your husband will be a cow or donkey” Ryan thought, If this girl gets angry she is more beautiful than any other girl. Lizy changed the topic asking “I told you to complete some work. Did you complete it?”

Ryan said “no mam, I will complete after lunch.”

“Nothing doing, first finish work. Then only you will get lunch.”

Ryan pleaded “madam please don’t do that to me. Have mercy on me.”

Lizy said “your speaking skills are nice. So speak to all the trees here, and complete the work.”

“Madam please forgive me for making fun. Please give me food.”

“Ok, come to dining hall. Let’s have lunch.”

After eating lunch Ryan said “madam, this lunch is very tasty.”

“I propose a deal madam. I will finish all the work which you gave me, in two days. Then you give me freedom.”

Lizy “what kind of freedom?”

Ryan “Please set me free.”

Lizy “nothing doing. You have done a great loss to me. You destroyed all the chemicals I prepared, and you broke the tower etc., you have to pay for all the loss, then I will set you free”

Ryan said “oh, no .... It will take months for that! okay madam please tell me your name.”

“why?”

“we both will be good friends from now on.”

“but I don’t do friendship with robbers.”

“madam we are also human beings. Some bad situations made me like a robber. Robbing is not my career.”

“Every robber has a story. Don’t tell me anything. I don’t want to listen.”

“no madam, I am not telling a story. But I am telling that how I became victim of the situations. I do not want to entertain you with my story. One fine day you will learn yourself that a person’s profession is because of his situations.

And, also Ms Empery! I will tell you one beautiful idea. The chemicals which you have invented, we can sell them in market and make huge money, what do you say?”

Empery answered, “No, I have created this for my trees and my Estate, not for selling. You know very well that these trees and Estate are my life.

When I was small, the Estate looks protecting us. Tell me, if you can love anyone in your life more than trees? When I was small I went to park, and sat on a bench. I do not know anything and also do not know who is there for me in the whole world, I searched for happiness, but after some time I came to know that money can give all the happiness in the world. We are all in the same myth till now.”

But, whatever may you say, but some of your words are very impressive. Anybody has to believe whatever you say.. what is your name Mr. Robber?”

“I am not a Mr. Robber, my name is Ray (Ryan Patten). The beautiful girl with beautiful mind once again proved that her words also beautiful.”

“you are so funny”

“no madam. It’s just you did not tell your name”

“myself is Empery – Lizzy Empery”

“oh! What a sweet name! Empery in the greenery, she is also called Empery of the greenery”

“A man with awesome words! But I am thinking that you should start working now Mr Ray! And complete at least half the work before dinner.”

After one hour Ray stopped work and went for dinner. As he was very hungry.. he started gobbling the food.

The servant who is serving food said that “please eat slowly. The food will not go anywhere.”

Ray “ya I know that. But I am afraid you will eat all the food”

Servant “you cheap robber!”

Ray “Please pass on those fruits. I stole very valuable things here. So I am not cheap. Madam Empery, please have this. This belongs to you.”

After dinner Ray said “okay madam. I am going to take rest under your beautiful tree.”

After having a long nap, he has seen that one fruit of the tree is in dark red color, after some time it changed color to blue.

He is shocked for a moment and tried to observe other fruit also, but they did not change the color.

He felt that the fault is with him only and he thought that he is gone nervous. Just then one servant called him for another work. While he is going, the fruit changed colour again from red to blue.

He went to the servant “yes Elizabeth! Tell me why you called me with your innocent voice, which kills everyone’s noise.”

Servant said “after completion of the work, go to madam. She asked me to inform you.”

Ray nodded for this and his friend came there hiding himself and giving signals. When he met Ray, he asked “buddy what happened? We are all very much worried for you. The contractor who hired us to get these chemicals was asking about you. If you don’t get them, he will kill us all.”

“don’t worry my friend, that girl caught me while I am robbing those chemicals. She threatened to send me to prison if I do not work here. So ask that contractor to wait for some more days. I will complete the task at the earliest. And you please go away from here. If anyone see you it will turn out to be a danger.”

Then the friend of Ryan left.

Ryan went back to his work. He felt that the tree is full of beauty, and charming like a star. There must be some secret left in this tree. And all the greenery around here is very awesome.

He thought that he should complete the work and get away from there. He wanted to climb the tree and watch all the estate. So that he can have a glance of almost all the estate.

And there the black magician, John Derlin is in very bad situation. As other powerful magician outwitted him, he is very strong when compared to John Derlin. So he is in very dire condition and having troubles.

John Derlin knew that he cannot touch the magic tree, due to his black magic characteristics, he wanted to cut down the tree, as his end is coming near. He drank the magic potion 10 years back, since then his life is transferring from one to another. But he did not become immortal. It just did not increase his age. He transferred his life to a small plant.

And that plant is kept inside his house. The small plant is growing old currently. If the plant completely becomes dry, John

Derlin will also die. He do not know how to keep the plant healthy. He is searching here and there to find a solution for that.

As the day passed, Ryan the robber who was sleeping under the magic tree woke up with a sudden start. Some noise, might be prayer woke him up.

Ryan was thinking himself “oh my god! What a beautiful girl you created, but without mind. Instead of praying god, she is praying trees.”

**Girl:** (With little anger) “This is not funny!”

**Ryan:** “Oh! Oh! Cool madam! Can you explain why are you praying trees?”

**Girl:** “We are not that close to tell you everything! And did you complete the work I gave?”

**Ryan:** “Err... I completed up to 30%.”

**Girl:** “Complete it, then you will get freedom soon.”

**Ryan:** “Yes madam. But I started liking your estate. I would like to spend more days here if you are willing.”

**Girl:** But you have children to look after.

**Ryan:** Which children?

**Girl:** Whom you gave birth!

**Ryan:** Madam, I am not married and I did not gave birth to any children. They are my neighbour’s children. I feed them often as they are poor and hungry. They praise me as their god.

**Girl:** Another impressive story!

**Ryan:** yes madam. But I am a looker not a liar.

**Girl:** How can I trust you?

**Ryan:** I have one proof. I don't know if you believe this or not!

**Girl:** What is that?

**Ryan:** Drawing of my family. This is the last proof.

**Girl:** okay. But who will look after these children now, as you are here!

**Ryan:** My friend is there. He will look after them.

**Girl:** What he is doing?

**Ryan:** We both rob. And share whatever we earn.

**Girl:** Why are you stealing actually? Is it the only way to earn money? There are so many ways.

**Ryan:** I am not the only one who is robbing. And I have to feed more than 3 kids.

**Girl:** You never understand what I am saying!

**Ryan:** What you are telling is correct. But it is not possible for everyone.

**Girl:** Anyway take these fruits. Today is my dad's birthday.

**Ryan:** Thank you.

**Girl:** After your work, please come to that house for celebration.

**Ryan:** Madam, shall I tell you something. You are looking gorgeous today!

**Girl:** Thank you ...

**Ryan:** Your father is very lucky for having you as daughter for celebrating his birthday after his death also.

**Girl:** No. My dad's very good person. I consider myself lucky to have him as my father.

**Ryan:** I am also very good person madam!

**Girl:** (laughing) I need a small favour from you.

**Ryan:** I am ready to do anything you say my dear princess!

**Girl:** I am not a princess. But I think you are trying to get closure to me.

**Ryan:** Princess is not only a king's daughter. But, a person with good and helping heart!

**Girl:** some of your words are very awesome.

**Ryan:** Okay madam. You please go and celebrate. I will come with the things you ordered.

**Girl:** Yes please do that. See you soon.
