Choices

What clothes will I wear?
What will I eat? Where will I
go? What will I do?

Each day, we have many **choices** to make. Some choices are easy, such as deciding what to wear. Other choices are much harder. Those choices show what kind of people we want to be, especially in our relationships with others.

Relationships

A relationship is the way that two or more people or things get along. Family members have important relationships. Friends have important relationships, too.
