Young Abigail

Abigail Adams was a brave woman. She was not afraid to speak her mind. She was born on November 11, 1744, in Weymouth (WEY-muhth), Massachusetts (mas-uh-CHOO-sits). She was the second of five kids.

This is young Abigail.

Abigail's mother was caring. She helped needy families. Abigail's father was a pastor. He was in charge of a church. Back then, many schools only allowed boys to attend. So, Abigail's mother taught her and her sisters at home. Abigail loved to learn. She read many of her father's books.
