## Chapter 1: Grandfather's Death

A 65-year-old man commits suicide by jumping from the hill. Initially, no one has an idea why he committed suicide. After the investigations, the police came to the conclusion that the old man committed suicide because of mental stress. After hearing about the old man's suicide, his granddaughter was totally devastated.

Every day she cried and no one was able to console her, because she loves her grandfather very much.

He is the only person left in her family.

And then, there is another person who loves her a lot.

The girl name is Ayushi, the name of the boy who loves her is Vivaan and the name of the old man who commits suicide is "Vishappa".

Vivaan loves Ayushi so much. He doesn't want to see his girlfriend crying.

He tried his level best to stop her crying but all his efforts were in vain.

Vivaan: Don't cry my dear; everything will be fine.

Ayushi: But I cannot; my grandfather is my life. He did everything for me. But what is the problem? Why he committed suicide? I don't know. If I get an answer to this question, then I will be all right.

On listening to all these words, he started thinking about how he could get the answer for her question. He knows very well that without getting the answer, she won't return to her normal life.

One night a dog is barking continuously, and a small kid asked his mother "Mother, why the dog is barking like this in the night-time?"

The mother told, "At night-time, souls and evils will be visible to the dog since the dog's eyes are more powerful than those of human beings". And she added, "Since dogs see souls and evils, they bark at night-time".

After listening to all these conversations between the mother and kid, Vivaan got an idea and asked his grandmother about this.

Vivaan: Is it real that dogs and other animals can see the soul?

Grandmother: Yes, our ancestor's also said that.

Vivaan: Is it scientifically proven? Can we believe those things?

Grandmother: Dear son, there are many things which cannot be told or which cannot be proved. Hence, science cannot prove this. But if you

need a detailed information about these, go to the town and there is an old ancient temple in that there is a 1500-year-old ancient book in that everything is written. But why you need all these things?

Vivaan: Nothing simply asked. Grandmother, my friend's grandfather died a few days back and she is living alone. Can I invite her to our house for a few days?

Grandmother: OK.

And he invited Ayushi to his home, and he went to town to study about the ancient book.

And he studied the ancient book, and there are more interesting facts written in the book by the ancient people. In that, it was mentioned that the souls of the people who met with an accident or committed suicide due to inner frustration don't go anywhere; instead, they stay with the person who they love the most.

But there is a time for that. Not only animals like dogs, cow and fox but also humans can able to see souls.

So after studying all these, he decided to meet his friend Reyansh who is a doctor (eye specialist).

## Chapter 2: Meeting with Doctor

Vivaan: Hello!

Reyansh: Hi!

Vivaan: I need help from you.

Reyansh: With pleasure, tell me what can I do for you?

Vivaan: Nothing ... I need you to operate and change my eyes with the animal eyes.

Reyansh: Ok, what happened to your eyes?

Vivaan: Nothing just I want to change. It is a secret.

Reyansh: What is that?

Vivaan: I want to meet souls so I want you to operate my eyes.

Reyansh: Are you mad? Who said this?

Vivaan: I have studied it in the ancient book.

Reyansh: It is just a suicidal operation.

Vivaan: Please help me; I will give you a huge amount of money.

Reyansh: No I won't, buddy.

Vivaan: Please I want that.

Reyansh: Will you please explain why you are wanting me to do this suicidal operation?

Vivaan: I want to do this for my girlfriend; she is my life. But a few days back, her grandfather was committed suicide. And she was emotionally shattered. She wants to know the answer why her grandfather committed suicide. But she can't able to find the answer. So I want to ask her grandfather's soul what is the problem and why he committed suicide.

Reyansh: Who told these? It is not a fantasy movie; it is real life. Because of this operation, you can lose your eyes.

Vivaan: Not at all problem, will you please do that job?

Reyansh: Ok, there is only 30% chance of success.

Vivaan: It is Ok.

Then, the operation was successful; after the operation, he paid the money to

the doctor. And finally, Vivaan started searching the soul of Vishappa.

## Chapter 3: Searching for Soul

So many souls are going around here and there. But he didn't see Vishappa's soul. He searched everywhere but all his efforts were in vain.

Finally, he went to a bar and started drinking due to the frustration. There he met Reyansh.

Reyansh: Vivaan, how is your eyes?

Vivaan: It's OK.

Reyansh: Have you met the soul that you are looking for?

Vivaan: No ... still, I am in search of the soul that I want to see.

Reyansh: OK, sooner than later, you will succeed in your attempt.

Vivaan: I badly need to see the soul of my girlfriend's grandfather and ask him what is the reason for his death.

Reyansh: What is your girlfriend's grandfather name?

Vivaan: My girlfriend's grandfather name is Vishappa.

Reyansh: Vishappa ... Is he worked for the minister?

Vivaan: Yes.

Reyansh: OK OK ... I want to go since I have some work.

After knowing the details of the old man, Reyansh got nervous and left the place immediately.
