Flash Point

01.

HALF

Half is not exactly half
When it's a half pant!
Half of it nobody wants
When ask for a pair of spectacles!
Half of that we don't seek
When one tear off a Note!
But half is always welcome
When we mean fifty fifty!!

02.

HOPE

Hope hope & hope so dear!
Sing sing & shun all fear!
Who knows what's next?
Today is great, try your best!!

03.

MOON

Look at the moon tonight
with half closed eyes!
looking across a window,
opened through,
spendthrift illumination!
Lingering with much ado to
drowsy stimulation!
than reaching to
flaunted ecstasy!!

04.

SILHOUETTE

I am still finding
the azured silhouette!
pasted in my village landscape!
rustling back with footfall of
cattle herds!

I dreamt of a canvas painted
in the wings of returning birds!!

05.

WARDROBE

It takes me to the edges
of my age!
warn me! how I can't have
a passive look into my
ethnic dresses, secretly
surrounded by the mall-lifted
fabric freak etiquettes!!
