Hey everyone.  
My name's Isaac and I'm  
in the second grade.

You want to know something that's hard in school? I bet you're thinking I'm going to say Math, Reading, or Science.

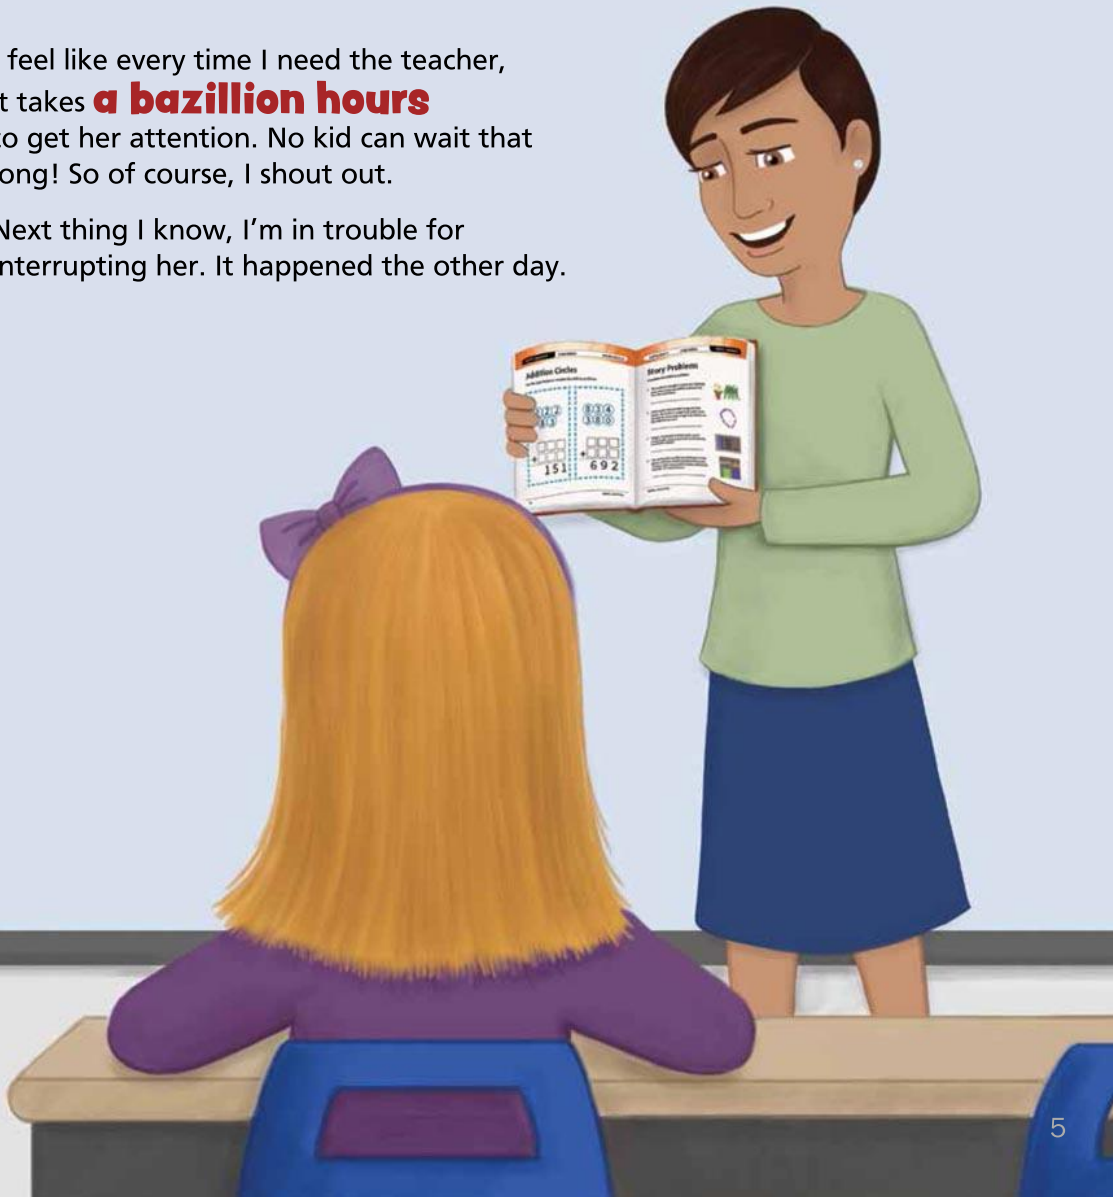

**NOPE!**

Getting help when I need it.

I feel like every time I need the teacher,  
it takes **a bazillion hours**  
to get her attention. No kid can wait that  
long! So of course, I shout out.

Next thing I know, I'm in trouble for  
interrupting her. It happened the other day.
