CHAPTER

1

IN AND OUT OF TROUBLE

Tim Bennett and Dan Bakke were pilots. They were flying for the U.S. Air Force. It was during the **Gulf War**. And they were in danger.

The date was February 14, 1991. Bennett and Bakke were on **patrol** in Iraq. They were searching for enemy **missile** sites. It was morning but still dark. The two airmen flew above the clouds.

Suddenly they spotted Iraqi aircraft on **radar**. They were nearby. But the pilots were lucky. They were flying the F-15 Strike Eagle. It would not let them down.
