CHAPTER ONE

**ON THE
RUNWAY**

Carolina Herrera at a runway show.

A fashion designer deals with enormous stress when staging a **runway show** in New York City. But Carolina Herrera felt even more nervous. This was the very first show for the company she had just started.

CHAPTER ONE

The **chic** Metropolitan Club had never hosted a fashion show until today. A pianist played classic songs while guests mingled. Backstage, Herrera and her models hurried to finish the looks of the dresses and evening gowns that Herrera had designed. Alva Chinn waited for her moment on the runway. Her fellow supermodel Iman used pins to keep the hem of her dress in place.
