**The Life of  
DEMI  
LOVATO**

Demi Lovato was born in New Mexico in 1992. Her early life might not have been as interesting had she stayed. But her family soon moved to Texas. And that is where she met a “ghostly” girl.

Lovato is not famous for the haunting of her home. From an early age, she had show business in her blood. Demi loved music, dancing, and acting. She loved them so much that she began to take dancing and acting classes.
