## Month #1 – THE TEST

Everyone's journey to conceive is different.  
Some may be surprised, others may be planned,  
But the first month is where it all begins.  
First trip to the doctor just for a confirmation  
Congratulations, you're having a baby!  
Tears, excitement, nervousness could all hit at once,  
Especially if there's two and not just one.  
There's no handbook to guide you through your way,  
But there are vitamins, dos, and don'ts you must  
Follow, okay?  
The main advice is to relax and breathe  
Because you just found out that soon someone will be  
Calling you mommy.
