Wife comes home late at night and quietly opens the door to her bedroom. From under the blanket she sees four legs instead of two! She reaches for a baseball bat and starts hitting the blanket as hard as she can.

Once she's done, she goes to the kitchen to have a drink.

As she enters, she sees her husband there, reading a magazine.

"Hi darling", he says, your parents have come to visit us, so I let them stay in our bedroom. Hope you have said hello to them.

Women are like apples on trees, the best ones are on the top. Men don't want to reach for them because they are afraid of falling and getting hurt. The apples at the top think something is wrong with them, when in reality they are amazing. They just have to wait for the right man to come along, the one who is brave enough to climb all the way to the top because they value quality!

If you wake up with a weird taste in your mouth on Christmas morning, just remember that Santa only cums once a year.

An Indian girl married a Spanish man & went to Spain.
She can't speak Spanish.

Each time she wants to buy chicken legs (drum stick.lol) she would lift her skirt & show her thighs to enable the seller understand her.

A wealthy man was having an affair with an Italian woman for several years.

One night, during one of their rendezvous, she confided in him that she was pregnant.

Not wanting to ruin his reputation or his marriage, he paid a large sum of money if she would go to Italy to secretly have the child. If she stayed in Italy to raise the child, he would also provide child support until the child turned 18.

She agreed, but asked how he would know when the baby was born. To keep it discrete, he told her to simply mail him a post card, and write “Spaghetti” on the back. He would then arrange for child support payments to begin.

One day, about 9 months later, he came home to his confused wife. Honey, she said, “You received a very strange post card today.”

“Oh, just give it to me and I’ll explain it,” he said. The wife obeyed, and watched as her husband read the card, turned white and fainted.

On the card was written: “Spaghetti, Spaghetti, Spaghetti. Two with meatballs, one without.

Hey, I bought you a new necklace. It’s made of rope and it’s hanging from the ceiling.

Why don’t you go try it on?

Two young guys appear in court, arrested for smoking dope. Judge, “You seem like nice young men, and I’d like to give you a second chance instead of jail time. I want you to go out this weekend and try to convince others of the evils of drug use. I’ll see you back in court Monday.”

"Your honor, I persuaded 17 people to give up drugs forever." "Seventeen people? That's wonderful. How did you do it?"

"I used a diagram, your honor. I drew two circles like this:

O o

Then I told them that the big circle is your brain before drugs and the small circle is your brain after drugs." "That's admirable," says the judge.

He turns to the second guy. "And how were you, young man?"

"Well, your honor,

I persuaded 156 people to give up drugs forever."

"Remarkable feat -156 people? How did you manage to do that?" "Well, I used a similar diagram," the guy says. "I drew two circles like this:

o O

Then I pointed to the little circle and said,

'This is your asshole before Prison..... :p

A case of kiss and a slap:

A Manager, his Assistant, one old woman and her young daughter are traveling in a train and during the course of time get themselves introduced to each other and become temporary friends.

The train goes through a tunnel and it gets completely dark. Suddenly there is a kissing sound and then a slap! The train comes out of the tunnel.

The women and the Assistant are sitting there looking perplexed.

The Manager is bending over holding his face, which is red from an apparent slap. All of them remain diplomatic and nobody says anything.

The Old woman is thinking:

These Managers are all crazy after girls. He must have kissed my daughter in the tunnel. Very proper that she slapped him.

The Young girl is thinking:

The Manager must have tried to kiss me but kissed my mother instead and got slapped.

The Manager is thinking:

Damn it. My Assistant must have kissed the young girl. She might have thought it was me and slapped me.

The Assistant is thinking:

If this train goes through another tunnel I will make another kissing sound and slap my Manager again. The Rascal keeps harassing me in the Office.

In the middle of the project, there was a knock at the door.
“Who is it?” called one of the nuns.
“Blind man,” replied a voice from the other side of the door.
