WHAT YOU CAN EXPECT FROM THIS BOOK

The next few pages has a series of Quotes, in fact, 52 in number. All these are original quotes written by me. There is nothing like I have taken any special time and space to write these quotes. I wrote them as and when they came to my mind.

The idea is to refer to One Quote Per Week. Now, initially you may like to go through all the quotes at once and that is absolutely okay. After having gone through all the quotes, you may prefer to identify with any one quote to stay with you for an entire week.
