A night sky illustration with a crescent moon, stars, and clouds. The background is a deep blue, transitioning to a lighter blue near the horizon. A large, bright yellow crescent moon is in the upper left. Several yellow stars of varying sizes are scattered across the sky, some with starburst effects. Soft, glowing yellow and white clouds are scattered throughout the scene.

Golden Slumbers

Golden slumbers kiss your eyes;
Smiles awake you when you rise.
Sleep, pretty darlings do not cry,
And I will sing a lullaby.
Rock them, rock them, lullaby.

Care is heavy, therefore sleep you.
You are care and care must keep you.
Sleep, pretty darlings, do not cry,
And I will sing a lullaby.
Rock them, rock them, lullaby.

Brahms' Lullaby

Lullaby and good night,
With roses delight,
With lilies bespread
Is baby's wee bed.

Lay thee down now and rest,
May thy slumber be blessed.
Lay thee down now and rest,
May thy slumber be blessed.

Lullaby and good night,
Thy mother's delight,
Bright angels around
My darling shall stand.

They will guard thee from harms,
Thou shalt wake in my arms.
They will guard thee from harms,
Thou shalt wake in my arms.
