Guide for Adults!

“Children and adults will love these gentle, empowering books. The Learning to Get Along series is a powerful tool for teaching children essential social skills such as empathy, respect, cooperation, and kindness. This straightforward and insightful series helps children visualize how their appropriate behavior positively impacts themselves and others. I heartily recommend this as a solid, classic resource for teaching affective skills to young children.”

It's fun to play and imagine.

Sometimes when I play,
I want what other people have,

or they want what I have.
