ALONE IN THE WOODS

It is August 23, 2015. Ten-year-old Malachi Bradley is camping with his family in a **remote** part of Utah. He wanders off in search of wild mushrooms.

Malachi soon realizes he has gone too far. He does not know how to get back to camp. He tries to find a road, but has no luck.

A young boy with a backpack is walking away from the camera on a grassy hill in a forest. The scene is bathed in soft, golden light, suggesting early morning or late afternoon. A large tree trunk is visible on the left side of the frame. The boy is wearing a blue long-sleeved shirt and blue pants. The background is a dense forest with sunlight filtering through the trees.

**"It was weird not having anybody with me, but I just kept going."
-Malachi Bradley**

Malachi finds water from a nearby stream. During the night, he curls up between two large rocks. The sun-warmed rocks provide heat and protect him from the wind.

The next day, Malachi hears a helicopter. He knows rescue crews are searching for him, so he stays in a clearing in the woods. Finally, Malachi is found!

"I knew I had to make it back, or my family would be really sad."

-Malachi Bradley
