TRACK STAR

A driver climbs into a Chevrolet Camaro Z28. He buckles his seat belt and revs the engine. The sports car roars out onto the track.

No other cars are around. The Z28 lets loose. It hugs tight curves and speeds down **straightaways**.

Wind beats at the windshield, but the Camaro Z28 does not slow down. The driver pushes the car past 150 miles (241 kilometers) per hour.

The car finishes the loop and continues on for a second lap. Nothing can stop the Camaro Z28!
