On December 16, 2014, Minnesotan student Gray Lacy was riding the bus home. He had made a Christmas ornament in school. He was excited to get home and hang it on the tree.

The smell of smoke suddenly filled the bus. The bus driver quickly pulled over to the side of the road. The air was getting thick with smoke.

**"I put my coat over my
mouth because I knew
it was bad to breathe
in smoke."
-Gray Lacy**

The bus driver quickly began to **evacuate** the kids. They had no time to grab their backpacks. Smoke **billowed** from the front of the bus.

**"[The bus driver] said,
'Get off the bus because
the engine blew, and leave
all your stuff.'"**
-Gray Lacy

Soon after everyone was safely gathered outside, the bus burst into flames. School supplies and Christmas ornaments were destroyed, but everyone was safe!
