This is the story of a little girl named Alice, who lived not too long ago in a place not too far from here. Alice loved books, adored adventures, and found herself to be very curious about a great many things. Alice had some amazing adventures in a place called Wonderland...

"I'm late!
I'm late!"

One day, Alice was resting by a river with her sister when a rabbit ran past. This was not just an everyday rabbit—this was a white rabbit dressed in fine clothes and carrying a pocket watch.

Alice watched as the White Rabbit hurried into a rabbit hole and disappeared from sight. Being curious, she quickly followed. And then she fell...

and fell...

and fell...

for what seemed like a very long time, indeed!

Alice eventually landed in a room with many locked doors. These were the doors to Wonderland! Behind one very small locked door, Alice could see a lovely garden, but she was too big to fit through the door. It made Alice feel very sad, indeed, to be stuck in a rabbit hole, too big to crawl out.
