

**STEM**

# Robots

3-D Shapes

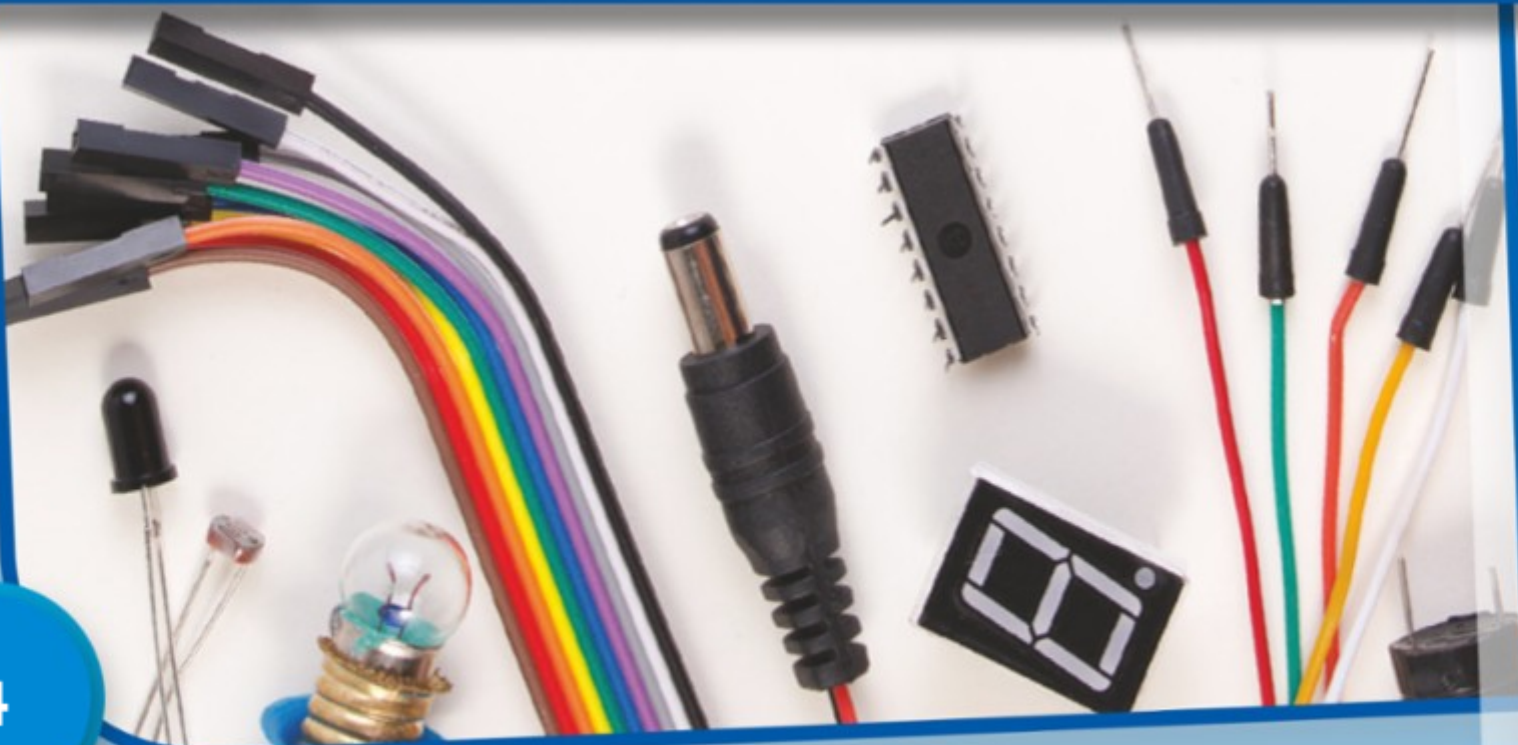

**Joseph Otterman**

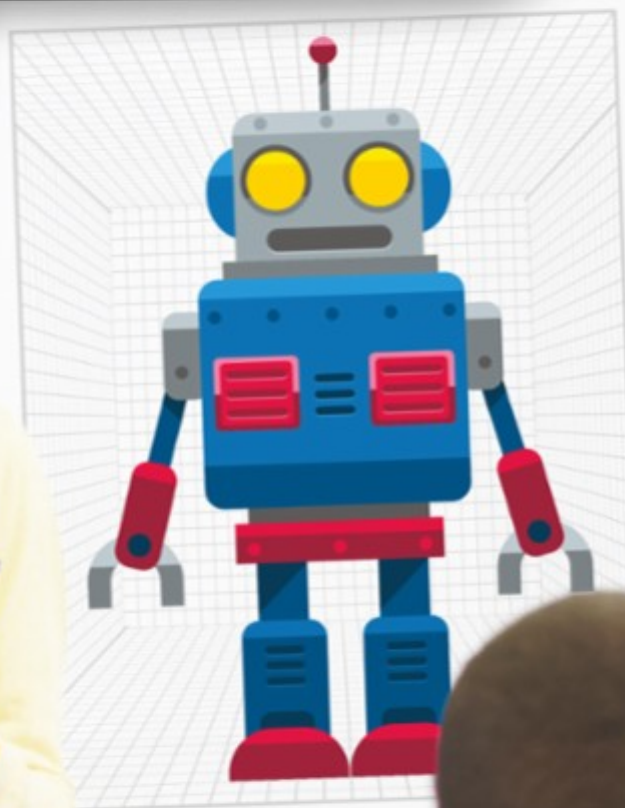

# Robot Surprise

“We get to build robots?”

The class was not sure they had heard Miss Lopez correctly. Did she really say they would build robots? They hoped so. Building robots would be fun!

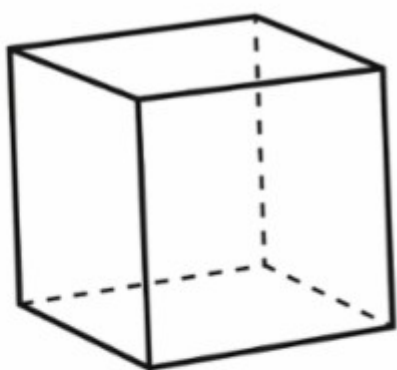

"We are building robots today!"

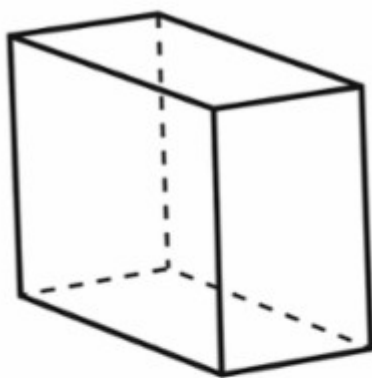

# Shaping Up

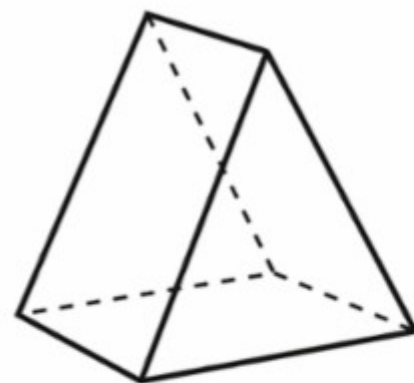

The class had studied three-dimensional (3-D) shapes all week long. They learned about **cones** and **cubes**. They learned about other shapes, too. Each is a 3-D shape.

cube

rectangular  
prism

triangular  
prism
