## Right in Front of You!

Look around you. Chances are there is an insect nearby! These animals have three body **segments**, six legs, and an **exoskeleton**.

Insects come in many different forms. Let's go find some!

## Dart and Buzz

green darner dragonflies

honeybee

pollen

The **prairies** of North America are filled with insects! Green darner dragonflies dart over streams to catch food.

Here comes a honeybee! This fuzzy insect is carrying **pollen**. It will make honey back at the **hive**.

### JIMMY SAYS

Honeybees only sting when they are afraid. They will not attack if they are left alone.
