# Above Earth

Ooooh!

Your plane flies high above Earth. Through the clouds, you see a patchwork of green land and blue water below.

Earth is a rocky planet, but it looks **lush** from here!

What makes the other planets between the Sun and the **asteroid belt** stand out? You head off on an imagination quest to the rocky inner planets!

You think about how Earth's **atmosphere** is unique. It allows life to grow.

Hmm...
