

WHAT ANIMAL
AM I?

Rain Forest Animals

Blastoff! Readers are carefully developed by literacy experts to build reading stamina and move students toward fluency by combining standards-based content with developmentally appropriate text.

LEVELS

Level 1 provides the most support through repetition of high-frequency words, light text, predictable sentence patterns, and strong visual support.

Level 2 offers early readers a bit more challenge through varied sentences, increased text load, and text-supportive special features.

Level 3 advances early-fluent readers toward fluency through increased text load, less reliance on photos, advancing concepts, longer sentences, and more complex special features.

Welcome to the Rain Forest!

Rain forests are areas of tall trees that get a lot of rain.

They are home to over half of
Earth's plant and animal **species**.
