

ANIMALS AT RISK!

Caribou

Blastoff! Readers are carefully developed by literacy experts to build reading stamina and move students toward fluency by combining standards-based content with developmentally appropriate text.

LEVELS

Level 1 provides the most support through repetition of high-frequency words, light text, predictable sentence patterns, and strong visual support.

Level 2 offers early readers a bit more challenge through varied sentences, increased text load, and text-supportive special features.

Level 3 advances early-fluent readers toward fluency through increased text load, less reliance on photos, advancing concepts, longer sentences, and more complex special features.

Snow Deer

Their large **antlers** stand out in their cold, snowy **habitats**.

Caribou are large deer. They live in the northern parts of the world. There are many **subspecies**.

herd

But habitats are getting smaller. People are mostly to blame.

Caribou Range

range = 

Caribou need wide habitats. Large **herds** travel across the **tundra**.
