How It All Began

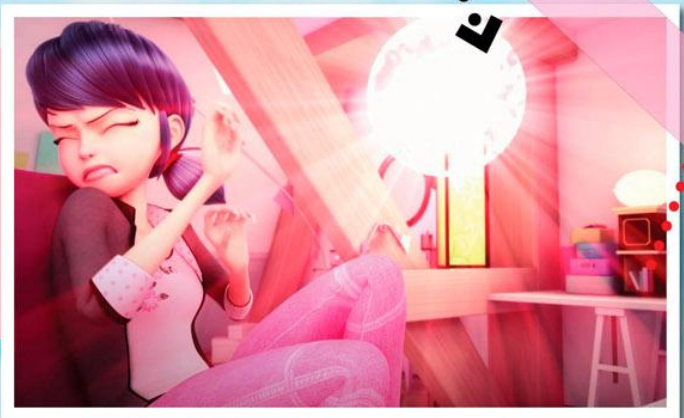

Before they became Paris' superhero duo, Marinette and Adrien were just regular Parisians.

Seeking absolute power, and the Ladybug and Black Cat Miraculouises, Hawk Moth akumatises an innocent citizen to terrorise Paris.

Marinette and Adrien discover the Ladybug and Black Cat Miraculouises. Their Kwamis, Tikki and Plagg, appear in a burst of light to explain their superhero roles.

New to their powers, Ladybug and Cat Noir must quickly figure out how to work as a team to defeat Hawk Moth's supervillain, Stoneheart.

Ladybug forgets to capture Stoneheart's akuma. It multiplies and infects the city. Marinette worries she's not up to being a superhero and she abandons the fight.

In the end Marinette's sense of responsibility kicks in and she returns to help Cat Noir defeat Stoneheart and save Paris. It's the start of a heroic duo.

Miraculouses

The Miraculouses are a set of seven magical jewels that contain extraordinary power. Forged many centuries ago, the Miraculouses have been used throughout history for the good of humankind. Of the seven jewels, the Ladybug and Black Cat Miraculouses are the most powerful.

The Miraculouses are protected by Master Fu. They are carefully concealed inside his gramophone.

According to legend, if one person gains control of the **Ladybug** and **Black Cat** Miraculouses at the same time they will have absolute power!

Each Miraculous is disguised as a regular object.

The Ladybug Miraculous looks like a regular pair of earrings.

The Black Cat Miraculous is disguised as a ring.

The Moth Miraculous is hidden within a brooch.

The Turtle Miraculous is worn as a bracelet.

Kwamis

Each Miraculous has a guardian. These tiny mystical creatures are called **Kwamis** and when they connect with their Miraculous they enable the wearer to transform and use their superpowers.

Tikki likes to recharge her energy with cookies.

Tikki

Tikki is the guardian of the Ladybug Miraculous and is currently Marinette's Kwami. Her magical powers enable Marinette **to transform into Ladybug**. She has watched over every Ladybug since the very beginning.

Personality

Optimistic, fun, enthusiastic and supportive, Tikki is a **wise friend and acts as a guardian angel** for Marinette, guiding and motivating her gently as needed.

Tikki is always close to Marinette – often hiding in her handbag!

Tikki is no bigger than a kitten. Red with black spots, Tikki perfectly matches Ladybug!

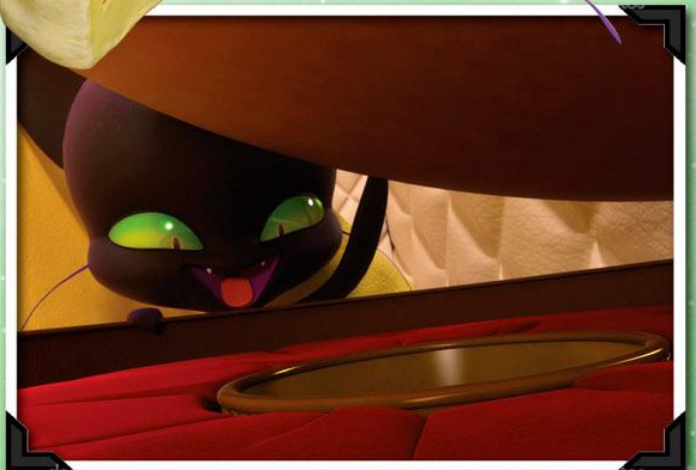

Plagg

Plagg is the guardian of the Black Cat Miraculous. He has watched over all the Black Cat superheroes since the beginning, and is currently Adrien's Kwami.

Plagg likes to recharge his energy with smelly Camembert cheese!
