

# Patterns

written by Pam Holden

“Patterns are designs that show the same thing over and over. When shapes or colors are repeated, we see a pattern. Some patterns are made by people, and some can be seen in the world around us. Some patterns are made with colours and lines. Other patterns are made with words or numbers or sounds. What patterns can you see and hear?”

all has of or over own there what

- Use Teacher Talk to stimulate discussion of topic.
- Use initial letters plus picture clues to read unknown words.
- Develop research skills based on this topic.
- Use Table of Contents to locate specific information.
- Refer to Glossary to clarify basic concepts.
- Identify compound words: **fingerprints rainbow**
- Notice digraph **sh**: **shells shape**

written by Pam Holden

There are patterns in the sky.  
The rainbow has a colour pattern.  
It is always the same shape.  
What colours can you see?
