# Escape from Pacaya

**Written by Nicolas Brasch**  
**Illustrated by Mark Jones**

Someone once asked me, “What’s it like to live near a volcano?”

I asked him, “What’s it like *not* to live near a volcano? I have always lived here. I don’t know any different.”

Then, I tell him my story. Most of the time, Mount Pacaya is quiet. But sometimes, there are small explosions. Lava and ash may shoot out the top. Then, it is quiet again.
