Dear Friend,

Who would have thought that one tiny chameleon would have a whole book written about her? I feel very lucky! And I can't wait for you to read my story. I had fun living these adventures! I hope you have fun reading about them, too.

I would like to dedicate this book to people who love animals AND people who love books. I am so glad to be a part of your world!

Your friend,

Cdm

A ray of sunlight shined through the jungle treetops, lighting the leaf-covered nest of 25 eggs.

Crack! The teeny-tiniest crack was heard from the nest. Soon, one teeny-tiny chameleon pushed her teeny-tiny head through a shell. Then, she looked around and grinned the biggest grin a teeny-tiny chameleon can grin.

Crack! Crack! Crack! Out hatched the chameleon's 24 brothers and sisters. "Hello! Hello! Hello!" they said.

"Happy birthday!" the chameleon answered.
